The Honorable City Council of the City of Cambridge
City Hall
Cambridge, Massachusetts

Gentlemen:

I wish to express my feelings re: the proposed parking garage in the new building complex in Central Square. I believe the garage will contribute substantially to the economic health of Central Square. Shoppers and businessmen should benefit from the ready availability of parking facilities.

Very truly yours,

Dear Councilors:

I am writing in reference to the proposed complex for the Green,
Franklin and Pearl Street block.

Part of this proposal calls for the construction of a 290 car
garage in this block. I strongly support the building of such a
garage and feel that this will do much to improve the economic
climate of the Central Square area. It will enable shoppers to
park their automobiles in a convenient and safe manner so that
they can make full use of the many goods and services available
in Central Square. I feel that the entire project will make the
Square a more attractive place in which to both live and shop.

Sincerely,

AN INVESTOR-OWNED
TAXPAYING UTILITY COMPANY

February 25, 1972

To the Honorable, the City Council
of the City of Cambridge

Dear Councillors:

As one of the larger tax payers of Cambridge, we at the Cambridge Electric Light Company wish to endorse the Green, Franklin and Pearl Streets development project. Its merit rests not only in the benefits it provides for our elder citizens but also in the future betterment of the Central Square area and the preservation of the residential area for the people of Cambridge.

The many people and agencies involved in the G F P development are to be congratulated for this well conceived plan.

Very truly yours,

John J. Molloy
Vice President and General Manager
