

CITY OF CAMBRIDGE
INTEROFFICE CORRESPONDENCE

To Mr. Frederick H. Burke
City Clerk

Date November 16, 1955

From J. F. Lucey, Supervisor of Sewers
Public Works Dept.

Reference Your letter to
Mr. Dunphy, dated 10/19/55

Subject Petition of John H. Cochran, 12 Newton Street
and others on Newton Street about sewers

The catch basin drains in Newton Street, two in number were inspected and it was found advisable to remove the existing six (6) inch drain servicing the catch basin in the West side of Newton Street and install a larger eight (8) inch line and new hood.

The catch basin on the East side was re-built. Both catch basins were cleaned and are now in good working order. The sewer here was flushed and tested and found in good condition.

The Street and area here, shall be under observation during future storms to determine the need of any additional relief measures.

Very truly yours,

J. F. Lucey, Supervisor of Sewers
Public Works Dept.

From Supervisor of Sewer Relators
to the City Council in Ventura S. T.

File With No. 36 Public Service 1955

NOV 21 1955
in City Council

PLACED ON FILE

Frederick H. [Signature] Clerk

October 19th, 1955.

Mr. Ralph J. Dunphy,
Acting Commissioner of Public Works,
Cambridge, Massachusetts.

Dear Sir:-

At a meeting of the City Council held on October 17, 1955 a report of the Committee on Public Service was adopted recommending that the petition of John H. Cochran, 12 Newton St., Cambridge and other home owners and tenants on Newton Street requesting that the City Council take action to prevent further floods in Newton Street, be referred to the Superintendent of Sewers for survey and report.

Enclosed you will find the petition as aforesaid.

Very truly yours,

Frederick H. Burke,
City Clerk.
