

To the Mayor and Aldermen of Cambridge,

The undersigned respectfully asks that the crossing stones in Garden Street may be relaid so as to correspond with the recently established walks on the North side of Waterhouse Street.

He begs leave to represent that in consequence of the lateness of the season at the close of last year when the improvements in Waterhouse Street were begun the work was not properly finished. He therefore very earnestly desires that the condition of the street, and side walk in which he is specially interested, may be, as early as practicable, further improved, and the work be adequately completed.

In the spirit of true citizenship,
R. M. Hodges.
