

Report of Committee

The committee to whom was referred the petition of J. C. Carter and others, asking that attention might be given to the condition of Quincy street, would report that they have examined the locality complained of, and find it badly in need of repairs, and would recommend that edge stones be set at the corners of Cambridge Broadway and the easterly side of Quincy street, the expense of the same to be charged to the abutters, and ~~that the usual notice be given by publishing this intention in the Cambridge~~ ^{also} papers for they ^{also} recommend the passage of the accompanying order
