In City Council,

AMENDED ORDER

November 20, 1972

**ORDERED:**

That the City Manager be and hereby is requested to take immediate action with the appropriate authorities to repair the roof and make any other necessary repairs in the Broadway Street side of the underpass at Memorial Hall.

**AND BE IT FURTHER ORDERED:**

That the City Manager be and hereby is requested to conduct a survey of the walls at the entrance and exit of the underpass on the Common side to determine the source of the water presently emanating from the walls with a view towards correcting this condition, which poses a safety hazard to all motorists using the tunnel, prior to the onset of the cold weather.
