

Mr Saffrey -

Dear Sir I would like
to have you inform the board
of Aldermen - in relation to
the statement made by L. H.
Stons - last Wednesday - in
opposition to the Whiser St. Exp.
that he did not know there
was any talk of ~~taking~~
extending Whiser St - before
he took his leave - I saw him
and Mr Woodcock - when I went
around with the petition - they both
looked at it and read it - but
said they would not sign them
said they wanted to sell - within
a short time afterwards Mr Ben
& I called on Mr Woodcock to
see how low he would - he
said he wanted \$1.00 per foot - this
was months before the lease was
made - you can rely on me
& Mr Ben to substantiate the above
Yours truly
J. S. Park
