

Honorable Mayor Vellucci

RECEIVED BY
OFFICE OF CITY CLERK

APR 27 11 04 AM '83

Dear Sir,

CAMBRIDGE, MASS.

The residents of Franklin, Green, Pearl and Brookline Streets are petitioning against the reopening of Simeone's Restaurant on Brookline Street rumored to become a "Gay Bar/Disco".

This is not directed to offend the gay community because we all live among each other as neighbors. What we are protesting is Simeone's past and possible future history of attracting undesirable patrons that are rowdy and leave trash/debris behind after early morning closing hours; vandalize neighborhood automobiles and property, and cause major parking problems for neighborhood residents.

We are hoping that our City Council Representatives and you, sir, as our top elected official (by the neighborhood vote) will address this urgent matter immediately.

Below are signatures of residents against the reopening of Simeone's Restaurant as a "Gay Bar/Disco".
