The Annual Meeting marks another milestone in the long life of our institution. We are so fortunate in Cambridge to have some of the most fascinating and important history in the world, and also to have a wonderfully vibrant community which appreciates that history. As the Cambridge Historical Society moves towards its 100th birthday in 2005, we will be working to find ways to better serve this community in the coming years. This is an exciting time for us.

Thank you once again for your kind words of encouragement.

Sincerely yours,

Aurore Eaton
