March 29, 1974

To the Honorable, the City Council:

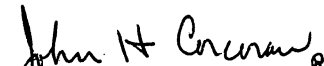

I am very pleased to notify your Honorable Body that I have this day entered into an agreement with the employees of the Cambridge Water Department.

I don't need to advise your Honorable Body that the bargaining process in this instance has been most time consuming and very difficult. I am pleased to advise you, however, that the agreement reached is consistent with all other agreements entered into by myself during these past several months.

I would be remiss in my duties if I were not to publicly commend the very significant efforts of our negotiating team, namely the law firm of Moulton, Looney, Mazzone, Falk and Markham.

I make this pronouncement to you with much pleasure in view of the very unusual effort that it has taken to realize the same.

Very truly yours,

  
John H. Corcoran  
City Manager
