Subject Community Public Meeting in LBJ Apartments
Concerning Cambridgeport Health Clinic

We have established a date for a public meeting at the LBJ Apartments for the presentation of the draft NHC planning document: 7 p.m. on Thursday, April 5, 1984 at the LBJ Apartments, Common Room. This meeting will be conducted as part of the regularly scheduled tenants' meeting of the building.

Since our additional meeting with the staff of the Cambridgeport Health Clinic on March 20, my staff had been working to establish a meeting time in order to hear input from the residents of the LBJ Apartments. At the public meeting held at the M. L. King School on March 22, I clearly stated to the group assembled there, some of whom were Cambridgeport residents, that we were engaged in the process of establishing a meeting time to hear those residents' comments directly.

Flyers announcing the meeting will be distributed at appropriate schools in the area, posted in public areas and in local stores.
