APPLICATION FOR DRIVEWAY CUTS AND OPENINGS

97 NOV 20 PM 3 38

CITY OF CAMBRIDGE
CAMBRIDGE MA.

INSTRUCTIONS:

In order to obtain permission for a driveway cut or opening you must first get approval from the Department of Inspectional Services on the zoning requirements for off-street parking, including the cooperation of your immediate abutters.

To receive a review from Inspectional Services you must fill out Part I of the application. Be sure to draw your plot plan on Drawing 1, choosing the lot that represents your lot's position, i.e. corner or interior. You must also include a sketch of the proposed driveway, including dimensions, on Drawing 2. You may then calculate the cost of the driveway by using the formula based on your choice of surfaces. You must also include a signed abuttor sheet for each of your abutters: back yard, one on either side and the abuttor directly across the street.

Once you have gathered this information on the application, it should be submitted to:

Zoning Officer
Inspectional Services
831 Massachusetts Avenue
Cambridge, MA 02139

If the application is approved by Inspectional Services, it will then be sent on to Traffic and Parking, the Historical Commission and the Department of Public Works. If approved by Public Works, the application and backup will be sent to the City Council for their approval. Once the City Council approves, the driveway curb cut can be installed. However, the full cost of the cut must be paid to Public Works before the work will start.

If, however, Inspectional Services denies your application you may then appeal to the Zoning Board of Appeals.

Dear Neighborhood Representative:

This office is in receipt of a copy of an application from Cambridge Housing Authority, requesting curb cuts *at the premises numbered 1, 23, 30, 31, 53, 60, 71, 77, 137 and 140 Corcoran Park, Cambridge, Massachusetts.*

The City Council has directed that all curb cut petitions be submitted to the appropriate Neighborhood Associations for the locality where the curb cut would be made, so that the association may have an opportunity for review, prior to action by the City Council.

Please indicate by return mail your approval or disapproval of the petition within twenty one days from the date of this letter. If the response is "disapproval" please state reasons. Be sure to sign the form and include a daytime phone number. I have enclosed a self-addressed stamped envelope to facilitate your reply.

As soon as this office has received both the completed application and your neighborhood association response, I will place the petition on the agenda for the next City Council meeting. If I do not receive a response from your neighborhood organization by twenty one days from the date of this letter, I will place the petition on the agenda for the next City Council meeting.

If your neighborhood association cannot complete its review by twenty one days from today, you may extend the reply time another seven days by requesting an extension by letter to me with a copy to the petitioner. However, I urge you to make every effort to complete your review as soon as possible.

Thank you for your cooperation.

OFFICE OF CITY CLERK
APPLICATION FOR DRIVEWAY CUTS AND OPENINGS

97 NOV 20 PM 3 38

CITY OF CAMBRIDGE

CAMBRIDGE MA.

INSTRUCTIONS:

In order to obtain permission for a driveway cut or opening you must first get approval from the Department of Inspectional Services on the zoning requirements for off-street parking, including the cooperation of your immediate abuttors.

To receive a review from Inspectional Services you must fill out Part I of the application. Be sure to draw your plot plan on Drawing 1, choosing the lot that represents your lot's position, i.e. corner or interior. You must also include a sketch of the proposed driveway, including dimensions, on Drawing 2. You may then calculate the cost of the driveway by using the formula based on your choice of surfaces. You must also include a signed abuttor sheet for each of your abuttors: back yard, one on either side and the abuttor directly across the street.

Once you have gathered this information on the application, it should be submitted to:

Zoning Officer
Inspectional Services
831 Massachusetts Avenue
Cambridge, MA 02139

If the application is approved by Inspectional Services, it will then be sent on to Traffic and Parking, the Historical Commission and the Department of Public Works. If approved by Public Works, the application and backup will be sent to the City Council for their approval. Once the City Council approves, the driveway curb cut can be installed. However, the full cost of the cut must be paid to Public Works before the work will start.

If, however, Inspectional Services denies your application you may then appeal to the Zoning Board of Appeals.

If the application is approved by Inspectional Services, it will then be sent on to Traffic and Parking, the Historical Commission and the Department of Public Works. If approved by Public Works, the application and backup will be sent to the City Council for their approval. Once the City Council approves, the driveway curb cut can be installed. However, the full cost of the cut must be paid to Public Works before the work will start.

If, however, Inspectional Services denies your application you may then appeal to the Zoning Board of Appeals.

RECEIVED BY
OFFICE OF CITY CLERK
APPLICATION FOR DRIVEWAY CUTS AND OPENINGS
97 NOV 20 PM 3:18
CITY OF CAMBRIDGE
CAMBRIDGE MA.

INSTRUCTIONS:

In order to obtain permission for a driveway cut or opening you must first get approval from the Department of Inspectional Services on the zoning requirements for off-street parking, including the cooperation of your immediate abutters.

To receive a review from Inspectional Services you must fill out Part I of the application. Be sure to draw your plot plan on Drawing 1, choosing the lot that represents your lot's position, i.e. corner or interior. You must also include a sketch of the proposed driveway, including dimensions, on Drawing 2. You may then calculate the cost of the driveway by using the formula based on your choice of surfaces. You must also include a signed abuttor sheet for each of your abutters: back yard, one on either side and the abuttor directly across the street.

Once you have gathered this information on the application, it should be submitted to:

Zoning Officer
Inspectional Services
831 Massachusetts Avenue
Cambridge, MA 02139

If the application is approved by Inspectional Services, it will then be sent on to Traffic and Parking, the Historical Commission and the Department of Public Works. If approved by Public Works, the application and backup will be sent to the City Council for their approval. Once the City Council approves, the driveway curb cut can be installed. However, the full cost of the cut must be paid to Public Works before the work will start.

If, however, Inspectional Services denies your application you may then appeal to the Zoning Board of Appeals.
