Dear Lauren:

As discussed in our conversation of February 20, CambridgeSide Galleria is pleased to allow resident parking during "Declared Snow Emergencies" during the months of January, February and March. This parking is offered on a test basis assuming there is no significant change in demand for shopper parking, and is subject to a mutually agreeable operating plan to be jointly developed by you and Peter DeVito, Operations Manager at CambridgeSide Galleria.

Sincerely,

Stephen B. Sigel
Vice President/General Manager

To The Honorable, The City Council:

I am pleased to announce that Cambridge residents will now be able to park at the CambridgeSide Galleria Parking Garage during declared snow emergencies. The procedures for utilizing this garage are as follows:

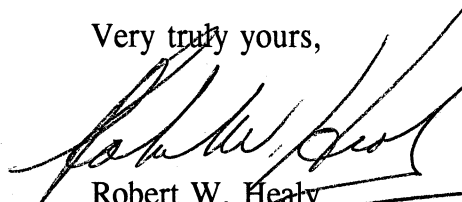

Those eligible for the program must have a valid drivers license indicating a Cambridge address.

Residence will be eligible for validated parking when entering the garage after a snow emergency has been declared, between the hours of 8:00 a.m. and 1:00 a.m., and will be required to remove their vehicle within six (6) hours of the snow emergency being terminated. The garage is closed between the hours of 1:00 a.m. and 8:00 a.m.

When preparing to exit, the person utilizing the snow emergency parking should go to the Customer Service Desk on level 1 of the Mall and ask for the manager on duty. At that time eligibility will be verified, and their ticket will be validated for a free exit. The Customer Service Desk is open from 10:00 a.m. to 9:00 p.m. If the Customer Service Desk is closed, the ticket should be taken to the Security Office.

The Traffic, Parking & Transportation Department will notify the appropriate person at the CambridgeSide Galleria when a snow emergency has been declared.

Very truly yours,

Robert W. Healy
City Manager
