(Here state in full how, and the person or thing by whom you were injured, and in what part of your person you were injured.)

I fell to the ground after striking the sled injuring my

negligence on his part; that he returned to his work the 6th day of

January

A. D. 1901

He hereby agrees to give full and complete information to the City Solicitor, City Physician, and all other agents sent him in behalf of the City, of all the facts and circumstances relating to or in any way affecting said injury, and his present, past and future condition of the body and health.
