Mr John E. FLYNN

Deputy City Clerk

Office of the City Clerk

City of Cambridge

City Hall

Cambridge, Massachusetts 02139

Dear Mr Flynn,

Thank you very much for your letter of December 6 th informing me about establishing a sister-city relationship between the City of Cambridge and the City of Kraków.

My office is responsible for - among others - supporting contacts between Polish and foreign cities that will allow to establish sister-city relationships. I am convinced that such relationships help to enrich contacts between people and benefit all partners.

I hope that Cambridge and Kraków will start a new era in contacts between American and Polish cities.

Our country is not the same at is used to be. The reforms that are being implemented in Poland now will allow both Camvridge and Kraków to establish very close relationships of a new character that has been not possible fill now.

Yours sincerely

Professor Jerzy Regulski, Senator
Undersecretary of State
