Re: March 22 meeting

The Budget Committee recommendations for the County FY'84 budget have been mailed to the person listed as your Advisory Board representative. This person must be a Selectmen, City Manager, Mayor, City Councilor, or member of the Board of Aldermen.

If the representative will not be able to attend the meeting, please be sure your city/town sends another representative from those eligible (listed above).

Your FY'83 county assessment has been endorsed. If a member from your community attends you will have a say in how much of and in what way that money is spent.
