To The Honorable, The City Council:

In response to Awaiting Report Item No. 99-74, regarding a report on the petition request of Universal Marketing to erect tables in front of the MIT campus and Harvard campus, Public Works Commissioner Ralph Dunphy reports the following:

Public Works staff contacted Kathy Bertani of Universal Marketing to request more information regarding the specifics of the above petition. In particular, staff asked for information as to exactly where they would set up their tables and what type of information they would be distributing. Universal Marketing would be distributing applications for credit cards but did not provide specific information on the placement of the tables.

Therefore, Public Works has denied this permit on the basis that specific locations were never given.

Very truly yours,

Robert W. Healy
City Manager
