Dear Members of the Cambridge City Council and School Committee,

We, the undersigned parents have school aged children who cross the intersection of Pearl Street and Putnam Avenue and would like to request a crossing guard be placed at this intersection. There was a crossing guard there up until January when she was reassigned to the Morse School. One of the parents has already witnessed a near accident with one first grader who was almost hit by a car after getting off the school bus.

Let's not wait until it is too late.
