Subject Attached petitions for Sidewalk Permits

Date June 16, 1976

Reference

Please be advised at the City Council meeting of June 14th, the Council referred the attached petitions to the Law Department for investigation as to the dangers of allowing sidewalks to be the resting place for tables for the distribution of goods and materials. Also, in relation to the petition of Nancy Ludgewart and Charles Bagli, the Council would like your office to review just what kind of Bicentennial literature they intend to distribute.

Thank you for your cooperation in this matter.
