To the Honorable, the City Council:

The attached appropriation transfer has been requested by the Finance department for specialized training programs in multiple regression analysis and new appraisal administrative processes given by professional assessment organizations. The funds for this transfer, in the amount of \$2,600.00, are available because the Board of Assessors have themselves prepared appraisals and acted as expert witnesses instead of hiring other experts for these services before the Appellate Tax Board.

Passage of the attached order is recommended.

Very truly yours,

James L. Sullivan
City Manager
