Subject: Communication Concerning 18-20 Ware Street

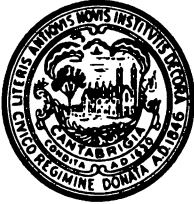

Date: December 19, 1988

In response to the communication concerning 18-20 Ware Street, Cambridge, at the dedication of the building I referred to the expansion of the role of the non-profit groups in rehabbing deteriorated rent control properties rather than to 18-20 Ware street, specifically, as a deteriorated property. I believe my comment was misunderstood by someone in attendance and communicated incorrectly to others who were not present at the time. I regret any confusion that may have occurred.
