Dear Mayor and City Councilors,

Please consider making your wishes known. All of you endorsed a preservation and conservation Resolution pertaining to the Alewife Reservation last April, its waterways and surrounding MDC public parkland.

LAST Hearing before final MEPA filing- March 8 at 6:30 pm at Best Western Hotel, Fresh Pond Rotary.

If you have not already done so, please consider letting the City (DPW)and State (MWRA) know of your interest, concerns and wishes to protect the general public area on Cambridge municipal territory.

Impact and Mitigation are major issues with residents and environmental groups. This could be a major passive recreation spot for Cambridge residents and their families. Please write a letter asking for maximum attention to this treasure of one of our largest open spaces in the CITY, directly on a T stop for teachers and classes. We are banking on your involvement here.

Sincerely yours,

---

Margaret Drury
