To the Honorable, the City Council:

Attached please find for your review and action an order requesting the acceptance and appropriation of a grant in the amount of \$10,000.00 from the State Executive Office of Communities and Development to the Department of Human Service Programs Grant Fund, Other Ordinary Maintenance account.

This action will provide funds for improving the management information system of the Human Services Departments in Cambridge and Somerville. This pilot effort will focus on a needs assessment which will aid in determining the service population's needs and a proposed model for data collection which will aid in the administration of Human Services programs in the two cities.

Passage of this order is recommended.
