Dear City Chairman:

Enclosed herewith you will find a list of proposed polling locations for the forty-four precincts set up in the State mandated redistricting for the City of Cambridge.

In our selections we have been guided by a number of considerations, including handicapped accessibility, location within the particular precinct (both required by statute), ease of accessibility to the general public, as well as availability, size and esthetic factors.

Would you please look over the enclosed and feel free to forward your comments and suggestions to our office, either through one of the Commissioners or to our Deputy Director, Mr. Philip Griffiths, by 5:00pm Wednesday, January 20th.

We plan to take final action on this matter at our meeting of Thursday, January 21.

Very truly yours,

Edward J. Samp, Jr., Chairman
