The Police, Public Works and Traffic Departments' of the City of Cambridge have announced their Street Cleaning Schedule for the month of June.

They have also stated that the cooperation received from the residents of the City has been tremendous and would like to take this time to thank them and tell them that without their cooperation this program would have failed. The Street Cleaning Program did have its problems in the beginning, in fact, the number of motor vehicles that were violating this law has decreased by 50%, which means the people are getting used to moving their cars when the signs are posted.

The "Street Cleaning Program" for the month of June will be advertised in the local newspapers and again, I would like to stress the importance of cooperation from the residents of the City in order to keep our streets clean.

If there are any questions concerning this program, please call the Traffic and Parking Department, Telephone No. 876-6800, Ext. 314.

Very truly yours,

George Teso
Traffic Director
