CLERK OF BOARD

OFFICE OF THE MAYOR
CAMBRIDGE, MASSACHUSETTS

January 12, 1931

To the Honorable, the City Council

With reference to your order dated January 6, 1931 asking me "to confer with *** the water board as to the advisability of establishing an eighteen hole golf course on land surrounding Fresh Pond", I have to advise you that I have had the matter of the golf course on land surrounding Fresh Pond under consideration for some time. I have discussed it often with various members of the park department and, on December 29, 1930, I took it up with the water board, at which time no action was taken because of lack of quorum. At the meeting of the water board of January 7, 1931, in response to my request of December 29th, the board passed a vote authorizing the use of this land for a municipal golf course, copy of which vote is hereto annexed and made a part hereof. In other words, the request contained in your said order was complied with before it was made.

Yours respectfully,

Mayor
