Dear Ms. Drury:

Thank you for transmitting to me the Cambridge City Council Resolutions regarding insured coverage for additional hospital stays for women recuperating from breast cancer surgery and the restructuring of the electric industry. It is always helpful to receive official statements of the City Council regarding legislation pending before the Senate. I look forward to continuing to work with the council on these and other issues of concern to Cambridge.

If any member of the City Council would like to discuss these matters further, please contact my office. Again, thank you for taking the time to write.

Very truly yours,

Thomas F. Birmingham
