Re: CARPENTER'S LOCAL 40
Request for Release of Payrolls

Dear Mr. Healy:

You have received my letter of March 1, 1984 relative to the Carpenter's Local 40 request for release of payrolls for the Bulfinch Square Project.

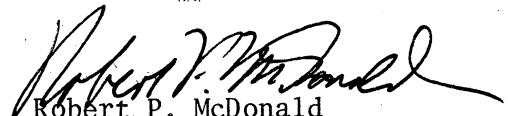

Upon reviewing this letter and checking further in house, it is evident that a correction should be made in the third paragraph of the March 1 letter. The February 24 correspondence was hand delivered to Mr. Birge Albright of the City Law Department on February 24, 1984 rather than the 27th as mentioned in my March 1 letter.

The letter to Mr. Albright was hand delivered by Mr. Bruce Barnhill of our office at approximately 3:30 in the afternoon of Friday, February 24, 1984. Enclosed please find a copy of the reference letter.

I would appreciate it if you would make note of this correction.

Very truly yours,
