To - Paul E Healey, City Clerk

From - James R. Keenan
(Owner - 66 Austin Street, Cambridge)

Dear Sir:

Thank you for the notice on the obverse.
I shall try to remember the new name of Austin St.

Could you please announce to the City Council that since my building there is rent-controlled by the City, and since I think I am losing about \$2000 = Per year on that property, I cannot change my records per your request. Please emphasize to the council that the rent control has removed All pride of ownership in that property.

Again, Thank you
