

Dear Sirs

RECEIVED BY
OFFICE OF CITY CLERK

January, 1984

CAMBRIDGE, MASS.

Massachusetts was honored when the Veterans Administration chose Otis Air Force Base, Bourne as the site for the new National Cemetery.

The Veterans Administration has graciously given the land on which a memorial can be erected. This memorial will have to be paid for with public donations.

The American Legion Auxiliary Department of Massachusetts has taken on the task of raising these donations. The memorial will cost a total of \$32,000, of which we have already raised \$15,000. We have six months in which to raise the remaining \$17,000 so that the dedication can be done on Memorial Day 1984.

It is part of my duties as Chaplain to help raise these funds and I am asking you for a donation towards this goal of \$17,000.

Stand up and be counted and help lead the way to success.

Remember the money raised will not replace the deceased but will build a monument to

show our gratitude that they
served their country in her
time of need.

I wish to thank you for your
cooperation and support in attaining
our goal.

Sincerely

Jaqueline A Lapan
