To the Members of the Cambridge City Council:

We received the Resolve of the Cambridge City Council regarding Dad and were deeply touched. We plan on framing your official paper. To each and every member of the Council we extend our heartfelt thanks.

It was a warm feeling to see that you recreated on paper the vision we have always had of Dad as an enlightened public official. You captured the tempo of a man who loved politics and people. No doubt, Dad would have extended to you the privilege of being called one of his "Good People".

Sincerely,

Constance Buckley
