TO: Honorable Members of the
Cambridge City Council

RE: FOREST CITY DEVELOPMENT/AND TRANSFER
OF BLANCHE STREET

I would appreciate your recording my complete support for the implementation of a written agreement originally made and approved by the City Council in 1988 and the Land Transfer Agreement approved by the City Council in 1989.

As both a property owner and operator of two locations in Central Square, I feel that the complete development will favorably impact the entire Central Square area, including myself, by providing additional and supplementary goods and services to the neighborhoods surrounding Central Square as well as favorably helping the real estate tax base at a time when it is most needed.

I feel there is a moral obligation, based upon the previous agreements made in 1988 and 1989, to assist the neighborhoods by providing necessary land configuration for a local supermarket, most sorely needed. I trust that the original commitment by the City of Cambridge will be implemented immediately so that this necessary work may go forward to the great advantage of all concerned.

Sincerely,

Carl F. Barron
