Subject City Council Order #10 of Feb. 5, 1979 "Making Meacham Road One Way Street"

The Traffic Department has been trying to make Meacham Road a one way street for many years and every time we have made this attempt we have been denied by the State Department of Public Works and the City of Somerville. The State insists that where a street is in two communities both party's must agree to the regulation before a permit is issued and at every meeting with residents of the street and Somerville officials, they have not agreed.

I, will however contact the City of Somerville again with a view towards making Meacham Road a one way street.
