Attn: Mr. Paul Healy

Dear Mr. Healy,

I was on my way into Boston for an appointment on 2/18/76, 8:45am, it was raining. I was proceeding on Binney St, Cambridge when I struck two large pot holes. I proceeded along slowed down to turn left onto First Street when I found the car hard to steer. Still proceeding on First St I decided I would leave my car in the Middlesex Bank Parking lot but when I was to turn left from First St to Cambridge St I applied my brakes in order to reduce my speed when all of a sudden everything went down. At the sametime a car registered to the City of Cambridge hit me in the rear which broke my taillight. The Reg.# M19-987, driven by Eufilio R. DeSande. So, I called up a tow company and had the car brought to George's Motor Mart. Enclosed is a copy of their bill.

I submitted my accident report to my Insurance Agent but with the new 1976 coverages I find myself subject to a two hundred dollar deductible. Therefore, I am looking to you for re-imburement of my damages.

I may be contacted at my home phone number, KI7-3227.

Respectfully yours,

Antonio Simoes 813
