Dear Councillors:

I am writing to request urgently that you not close the Cambridge Public Library branch at Observatory Hill.

This branch is needed, not only as a library, but also as a neighborhood center. It adds a great deal to the quality of life in our neighborhood, and for that reason I feel that some other way of cutting funds should be found and that this branch library should be preserved. Children and older, retired people come to the branch in the afternoon to play chess, and both groups enjoy this very much. Small children and their mothers come in at all times. Movies are shown there. I think this branch is really needed.

Sincerely,

Anne Haskins
