Dear Residents of Putnam Square Apartments:

This letter is to confirm to you that through the efforts of The Cambridge City Council and the Cambridge Housing Authority, a Watch person has been hired to work at Putnam, between the hours of midnight and 8a.m. starting this week. This person's name is Mr. Robert Castagna. He is a CETA worker hired through the Cambridge Housing Authority.

Mr. Castagna is a veteran (United States Army), has had job experiences varying from the construction trades to administrative and service positions. His references have been checked by me personally.

Please join us in thanking the City Council and The Cambridge Housing Authority not only for coordinating this program, but also for securing the necessary funds.

Very truly yours,

Marianne
