\* The colleges are applying for more and more wine and malt educational licenses for different building. This means (a) they can buy wholesale and (b) they are in direct competition with local licensed establishments.

\*\* The proposed \$100 increase will still not bring it up to the fees that many of the larger restaurants in Cambridge are paying for a Common Victualer's License.

\*\*\* By state statute the charge for the card is \$2.00, however, we take a color picture and propose a charge of \$2.00 for the pictures.
