Dear Cambridge City Council:

I wish to express my support for the current proposal to build bicycle lanes on either side of Massachusetts Avenue between Memorial Drive and Lafayette Square.

Massachusetts Avenue, while one of the major roads in Greater Boston, is currently very hazardous for cyclists. As a citizen of Boston with no car, who uses a bicycle to travel many different places (weather permitting) these bike paths would be a great service to me and others in my situation. It would be nice to look forward to traveling on Mass Ave instead of seeking avoidance.

Sincerely,

Jason Webb
