Mr. Paul E. Healy
City Clerk
City Hall
Cambridge, Massachusetts 02139

Dear Mr. Healy:

Secretary Rogers has asked me to thank you for the copy of the resolution adopted by the Cambridge City Council on the subject of aid to North Viet-Nam you have sent him. He appreciates your thoughtfulness in bringing this material to his attention.

I am sure you will understand that it simply is not possible for us in the Department to comment on each of the many such submissions that are referred to us. They are given to responsible officers for review, and I can assure you that we welcome them as another channel for maintaining close contact with the concerns and ideas of the American people.

I am enclosing a statement of our policy on this subject which I believe may be of interest to your City Council.

Sincerely yours,

Gregory Gay, Chief
Public Inquiries Division
