

To the Hon Mayor and Aldermen of the
City of Cambridge -

The undersigned would respectfully represent that to remove the trees in front of his house on the corner of Dunster and Mount Auburn Streets at this season of the year would be sure to kill them and the removal of the steps and the consequent alterations to the home would at this time cause the family occupying the home much inconvenience - He would therefore request permission to defer the removal until Fall when the trees can be removed with safety and when during the vacation the students who occupy the rooms will be absent.
