The Honorable Walter Sullivan, Mayor
and City Councillors of Cambridge
City Hall
Cambridge, MA 02139

My dear Mayor and Councillors of Cambridge,

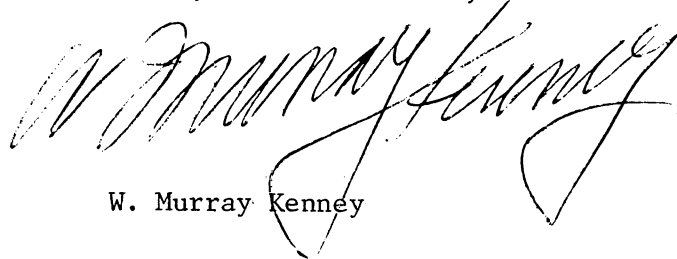

The citation you offered through Councillor and ex-Mayor Frank Duehay was thoughtfully composed, well received and most deeply appreciated by me the recipient.

It was so good or Frank read it so well that I received a standing ovation and preachers rarely get that especially on their own turf.

I do believe that you elected officials have one of the most demanding of all ministries, i.e., the realm of the possible - politics. In a key and complicated city like Cambridge you all have an overwhelming responsibility. May you feel a holy call to your ministry of politics.

With much gratitude -

Peace, Love and Cheers,

W. Murray Kenney
