

We the undersigned, a group of senior citizens of the city of Cambridge, are concerned about the news that the services which Mr. James Tingle has been doing for us will be terminated. During these years Jim Tingle has endeared himself to us by his cheerful disposition, sense of humor, impartiality, patience, and compassion. He always calls us "my seniors" and we are indeed glad to be his. We would miss him very, very much.

May we respectfully petition that the situation be examined in this light and that the decisions, if already made, be reversed. We very much want Jim to remain with us in the years to come.
