

Cambridge, August 1 1890

To the Honorable, the Mayor, and Aldermen,  
of the City of Cambridge

The undersigned respectfully prays for permission  
to lay a flagging of North River slates at his own  
expense on the sidewalk next his residence, 156  
Brattle St., three feet wide on Brattle St. and two feet wide  
on Lowell St., this not to prejudice the widening of the walk  
at any future time.

Saml. W. Fendler

The undersigned begs to renew his petition in  
simpler form, feeling sure that the Committee must  
in some way have misunderstood his former appli-  
cation - In truth he has not asked any favor of the City  
or of the Committee. He has only asked the City to accept  
a gift, one which must be regarded as an improve-  
ment upon the present condition of things, and which  
by its very conditions can not stand in the way of  
future improvements - He cannot understand upon  
what possible grounds objections can be made to  
granting this request

Saml. W. Fendler
