Dear Sir. I petitioned the City for
curbstones and Brick Side walk in front of my Place on the
South Side of Otis St between 8th and 9th streets and received a
note from the Clerk of Committee requesting me to get the signatures
of the other abutters on the street. now the only abutters there
front on Eighth and Ninth streets and they have their fronts all

and my front is a mass of mud all the time. Now if you will
