Sewage Department
City Hall
Cambridge, Massachusetts 02139

Dear Mr. Lucy,

All of the families living in the 16 units of our condominium wish to express to you and your team of workers our thanks and appreciation for the amazing work you did in restoring our water last week. As we all trotted off to various restaurants to eat, you and your men continued to labor over our street's sewer lines. We are grateful to all of you for your professional attitudes, senses of humor and quick response. Most of all we will remember how nice you were to us and our curiously interested children. Thank you again.

Sincerely,

Pauline Joseph, Secretary
