

#8

Dear Cambridge City Council :

Increasingly over the past couple of years, we the citizens of East Cambridge have the impression that business would be better, parking would be easier, but most importantly, our children and seniors would be safer, if speed bumps were put in place in front of Gore Street Park and in front of Millers River Apartments. We are not content with the fact that cars and trucks are speeding down these roads at alarming speeds. On September 7, 2001 one of our Seniors from Millers River was thrown by a car and now he lays in intensive care at Mass General Hospital. We did some informal research on our own.. Our first step was to talk with the citizens of East Cambridge, and they were unanimous in their approval, and most said quite bluntly that they wished the city had placed the speed bumps in years ago. Our second step was to visit other Parks and Senior centers around Cambridge to find that crossing the streets in those neighborhoods was much safer than it was in East Cambridge !

And our third step is that we stand before you the Cambridge City Council. The residents of East Cambridge have concerns that are candid about the safety of the children and seniors! **Speed bumps must be placed at these two locations before a LIFE IS LOST !!!**

All the residents that live in East Cambridge have banded together to petition City Hall to approve this change. To that end we are here at tonight's meeting to say **"enough is enough!"** Place these speed bumps and make East Cambridge a safer place to live!

THANK YOU

~~Spencer Lamb~~
