Reference

Subject Fogel's Antiques, 1794 Massachusetts Avenue (Calendar #8)

Pursuant to the request of the City Council, I had requested the Commissioner of Public Works to review the above location in order to determine if trees in this area were damaged or poisoned. The Commissioner informed me he had Mr. James Woods, Tree Warden, check this and found the trees were recently pruned by the Public Works Department and everything was in order, with no tree damage.

I hope this information will be beneficial to you.
