IN CITY COUNCIL

April 14, 1997

COUNCILLOR SULLIVAN
 COUNCILLOR DAVIS
 VICE MAYOR BORN
 COUNCILLOR DUEHAY
 COUNCILLOR GALLUCCIO
 COUNCILLOR REEVES
 MAYOR RUSSELL
 COUNCILLOR TOOMEY
 COUNCILLOR TRIANTAFILLOU

WHEREAS: The **Cambridge Tree Project** is an organization composed of citizens' groups and individuals working together to assist the City of Cambridge in building support for the protection and management of community trees; and

WHEREAS: The **Cambridge Tree Project** is applying to the Massachusetts Department of Environmental Management for A "Urban Forestry and Education" grant in the amount of \$20,000 for two years; and

WHEREAS: The goals of the "Urban Forestry and Education" federally funded grant program are as follows:

- Promote cooperation of citizen groups and individuals, local government and professionals working together to sustain trees and forests in cities and communities;
- Involve all ages, races and cultures in urban and community forestry activities;
- Maximize the economic, environmental, social and physical health benefits of urban forests for communities and their residents;
- Increase the number of trees and forested acreage protected, established and cared for within cities and communities and their environs;
- Increase the number and diversity of community residents informed and involved in urban and community forestry endeavors;
- Establish new and strengthen existing urban and community forestry programs in municipalities and other jurisdictions;
- Promote increased self-reliance and support at all levels for urban and community forestry programs; and

WHEREAS: The **Cambridge Tree Project** has the following two objectives in pursuing "Urban Forestry and Education" grant funding:

1. Tree Awareness and Education. The **Cambridge Tree Project** will involve a diverse cross-section of local residents, policy makers and educators to increase the public's awareness of the economic, environmental, social and physical health benefits of trees in the urban environment.
2. Develop a Local Tree Ordinance for Cambridge. The **Cambridge Tree Project** will work with a diverse cross-section of government representatives and local residents from all the neighborhoods to develop a local tree ordinance for Cambridge based on model ordinances from comparable communities throughout the country; now therefore be it

RESOLVED: That this City Council go on record encouraging and supporting the **Cambridge Tree Project** in its application for an "Urban Forestry and Education" grant.

In City Council April 14, 1997

Adopted by the affirmative vote of nine members.

CAMBRIDGE TREE PROJECT

1657 Cambridge Street, Suite # 3, Cambridge, MA 02138-4316

The **Cambridge Tree Project** is an organization composed of citizens' groups and individuals working together to assist the City of Cambridge in building support for the protection and management of community trees. The **Cambridge Tree Project** requests your endorsement of our application to the Massachusetts Department of Environmental Management for an "Urban Forestry and Education" grant in the amount of \$20,000 with matching funds and/or in-kind services, for a period of two years, beginning July '97. The "Urban Forestry and Education" grant is a federally funded program whose goals are as follows:

- Promote cooperation: citizen groups and individuals, local government and professionals working together to sustain trees and forests in cities and communities.
- Involve all ages, races and cultures in urban and community forestry activities.
- Maximize the economic, environmental, social and physical health benefits of urban forests for communities and their residents.
- Increase the number of trees and forested acreage protected, established and cared for within cities and communities and their environs.
- Increase the number and diversity of community residents informed and involved in urban and community forestry endeavors.
- Establish new and strengthen existing urban and community forestry programs in municipalities and other jurisdictions.
- Promote increased self-reliance and support at all levels for urban and community forestry programs.

The **Cambridge Tree Project** has the following two objectives in pursuing "Urban Forestry and Education" grant funding:

1. **Tree Awareness and Education** The **Cambridge Tree Project** will involve a diverse cross-section of local residents, policy makers and educators to increase the public's awareness of the economic, environmental, social and physical health benefits of trees in the urban environment.
2. **Develop a Local Tree Ordinance for Cambridge** The **Cambridge Tree Project** will work with a diverse cross-section of government representatives and local residents from all the neighborhoods to develop a local tree ordinance for Cambridge based on model ordinances from comparable communities throughout the country.

I, the undersigned, endorse the **Cambridge Tree Project's** application for an "Urban Forestry and Education" grant.
