

To the members of the City Council,
My sister & I lived
in Cambridge all our lives.
She Mrs. Lishner was born here
19 Plymouth Street 51 years ago. I
am in this house 62 years.
I am Mrs. Gizzo I was born
at 9 Harding Street I am
going to be 66 years old.
We have received assistance
through the C.R.A. Its only
through efforts of programs like
this the home improvement plan.
If it wasn't for Section 312 Rehabilitation
programs we wouldn't be able to
fix our home. We encouraged the
City council to restore the funds.
We are so grateful we are
widows and haven't any one to
help us. Mrs. Lishner gets an
S.S.I check. I Mrs. Gizzo get

a social security check and a small
veterans widows check. We thank
God our prayers are answered
and we can have ~~the~~ our house
fixed other wise we wouldn't
be able to do it. We love
our home very dearly.

Very grateful to all of you
Sincerely

Mrs. De Gizzo & Mrs. Golda Lishner
