Whereas the State of Massachusetts through the latest round of budgetary cuts has eliminated funding for the Supportive Services programs which provides funding for many programs at the Cambridge Housing Authority, including the Work Force Program,

Whereas the defunding of the Work Force at the same time that the program was receiving a \$100,000 award from the Ford Foundation as one of the top ten out of more than 1500 programs in the country reveals the completely arbitrary and misguided nature of current budgetary cuts,

Whereas ~~thereas~~ this shows that making cuts in the budget, just for the sake of making cuts without a well thought out plan will have a serious negative impact on many individuals and many fine programs,

Therefore be it resolved that the Cambridge City Council urge the Governor of Massachusetts, to restore the budget cuts which have eliminated the Supportive Services program, and that copies are sent to

And be it further resolved that ~~The Cambridge City Council repudiate the Citizens for Limited Taxation Petition as a petition which does not~~
