Petition of the Cambridge Electric Light Company and the New England Telephone and Telegraph Company of Massachusetts for Joint or Identical Locations for a line of Poles already existing.

To the Honorable, the City Council
of the City of Cambridge:

Respectfully represent the Cambridge Electric Light Company and the New England Telephone and Telegraph Company of Massachusetts, both having locations in certain of the streets of the city, that the Cambridge Electric Light Company has heretofore received a grant of locations for and has erected in said locations a line of poles, with wires and fixtures thereto attached, along and across the public way or ways hereinafter named, and that it is desirable that said line of poles be used for the attachment of the wires and fixtures of both your petitioners.

Wherefore your petitioners pray that joint or identical locations for said existing line of poles may be granted to your petitioners, with the right to maintain wires and fixtures thereon, together with such sustaining or protecting fixtures as the business of each of your petitioners may require, said poles to be maintained substantially in accordance with the plan filed herewith marked #21102 and dated April 22, 1921.

Your petitioners agree to reserve space for one cross-arm at a suitable point upon each of said poles for the telephone, fire and police signal wires owned by the city and used for municipal purposes.
